

Domains where indexation is closed

504 donor domains sent noindex (meta or X-Robots-Tag), robots.txt Disallow for Googlebot, or a foreign canonical. Counts are URLs in the Fiverr/Kwork sample, not the whole web. Paths are not listed. Campaign brand slugs were replaced with structural hostnames.

#	Domain	URLs	How indexation is closed
1	pearltrees.com	57	meta noindex, X-Robots-Tag, robots.txt Disallow
